Authentic Leadership

October 4, 2003 • 8:30 a.m. – 12:15 p.m.

Overview - Today's workplace is uncertain and often emotionally turbulent. This course will help you make a meaningful difference within your organization by discovering the power of authentic leadership. You will see how to replace fear with trust and compassion in your workplace.

Objectives – You will learn.

- To recognize the source of conflict and ego battles, freeing you up to communicate more clearly
- You will discover the inner path to authentic leadership
- See how to replace fear with trust and compassion in your workplace
- The limitations of ego will be revealed to you, allowing you to be restored to your true identity, your inner greatness

Who Should Attend - All accounting/finance professionals wishing to increase their leadership skills set.

Speaker: Danna Beal, M. Ed., International Speaker, Consultant and Author

Danna is a business consultant, international speaker and author. She has been on over 50 radio talk shows throughout the country, discussing her new book, Tragedy in the Workplace: The Longest Running Show in the Country. She recently spoke at an International Global Conference with other speakers such as Hilary Clinton. Her audiences have included Washington Society of Association Executives, American Society of Women Accountants, Region 10 HFMA Annual Conference in Las Vegas, and the Montana Young Presidents Organization, to name a few. She is an upcoming keynote speaker for the American Chamber of Commerce Executive Association in Denver. She holds a B.A. from Washington State University and a M.Ed. from Whitworth College. For more about Danna, visit her website at www.dbconsulting.com.
